EMPLOYMENT & EXPERIENCE

FRONTEND SIMPLIFIED INTERNSHIP | 2024 | **Certificate LINK**
  o   Converted a static single-page application built with HTML, CSS, JavaScript and React into a dynamic, interactive and user friendly interface by integrating animations, transitions and carousels.
  o   Handled API requests utilizing Axios to fetch data and displayed it with the use of a skeleton loader pagination and dynamic routing.
  o   Effectively worked in a virtual team and collaborative environment using Git version control and Github.
